**Product Cancellation Order to Voluntarily Cancel Certain Pesticide Registrations and Amend Registrations to Terminate Certain Uses**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** This notice announces EPA's order for the cancellations and amendments to terminate uses, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1 and Table 2 of Unit II, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows an April 10, 2017 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 3 of Unit II to voluntarily cancel and amend to terminate uses of these product registrations. In the April 10, 2017 notice, EPA indicated that it would issue an order implementing the cancellations and amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency received two comments on the notice from registrants to withdraw the cancellation request for registrations 1839-189 & 10324-89, therefore these registrations are not listed in this order and will not be cancelled. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations and amendments to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing

stocks provisions.

**DATES:** The cancellations and amendments are effective [*INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER*].

### **III. Summary of Public Comments Received and Agency Response to Comments**

During the public comment period provided, EPA received two comments in response to the April 10, 2017 **Federal Register** notice announcing the Agency's receipt of the requests for voluntary cancellations and amendments to terminate uses of products listed in Table 1 and Table 2 of Unit II. One comment was received from Stepan Company requesting that EPA Reg. No. 1839-189 be retained and a second comment was received from Mason Chemical Company requesting that EPA Reg. No. 10324-89 be retained.

### **IV. Cancellation Order**

Pursuant to FIFRA section 6(f) (7 U.S.C. 136d(f)(1)), EPA hereby approves the requested cancellations and amendments to terminate uses of the registrations identified in Tables 1 and 2 of Unit II. Accordingly, the Agency hereby orders that the product

registrations identified in Tables 1 and 2 of Unit II are canceled and amended to terminate the affected uses. The effective date of the cancellations that are subject of this notice is [INSERT DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. Any distribution, sale, or use of existing stocks of the products identified in Tables 1 and 2 of Unit II in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI will be a violation of FIFRA.

#### **V. What is the Agency's Authority for Taking this Action?**

Section 6(f)(1) of FIFRA (7 U.S.C. 136d(f)(1)) provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** of April 10, 2017. The comment period closed on May 10, 2017.

#### **VI. Provisions for Disposition of Existing Stocks**

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the action. The existing stocks provision for the products subject to this order is as follows.

*A. For Products 706-69 (sell through date of September 27, 2018), 10324-169, 10324-174, 10324-184, 10324-197, 10324-218, 10807-438 and 33176-24.*

The registrants have requested to the Agency via letter to sell existing stocks for

an 18-month period for products 706-69 (sell through date of September 27, 2018), 10324-169, 10324-174, 10324-184, 10324-197, 10324-218, 10807-438 and 33176-24.

*B. For All Other Products Identified in Table 1.*

For the other voluntary product cancellations listed in Table 1 of Unit II, the registrants may continue to sell and distribute existing stocks of the products listed in Table 1 until [INSERT DATE 1 YEAR AFTER THE DATE OF PUBLICATION *IN THE FEDERAL REGISTER*], which is 1 year after publication of this cancellation order in the **Federal Register**. Thereafter, the registrants are prohibited from selling or distributing the products listed in Table 1 of Unit II., except for export in accordance with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

*C. For All Products Identified in Table 2.*

Now that EPA has approved product labels reflecting the requested amendments to terminate uses for the products listed in Table 2 of Unit II, registrants are permitted to sell or distribute the products listed in Table 2, under the previously approved labeling until February 28, 2019, a period of 18 months after publication of this cancellation order in this **Federal Register**, unless other restrictions have been imposed. Thereafter, registrants will be prohibited from selling or distributing the products whose labels include the terminated uses identified in Table 2 of Unit II, except for export consistent with FIFRA section 17 or for proper disposal.

Persons other than the registrant may sell, distribute, or use existing stocks of canceled products and products whose labels include the terminated uses until supplies are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products and

products whose labels include the terminated uses.
